

A hand-drawn diagram illustrating a horse's movement path. The path is a large loop starting from a point labeled 'A' at the bottom right, moving left along a dotted line, then turning back right along a dotted line. The path is divided into sections by dashed lines: a red dashed line labeled 'B' and a purple dashed line labeled 'C'. There are also several small circles and dots along the path. At the bottom left, there is a list of movement types: 'PASSO', 'TROTTO', 'PASSO', and 'TROTTO'.
