

[illegible]

The image displays three separate 2x8 grids of colored squares, each with a thin black border. The top grid consists of 7 purple squares in the first row and 7 purple squares followed by 1 light blue square in the second row. The middle grid consists of 7 dark blue squares in the first row and 1 orange square followed by 7 green squares in the second row. The bottom grid consists of 8 green squares in both the first and second rows.

[illegible]

A 2x5 grid of blue squares. The grid consists of two rows and five columns, totaling ten squares. All squares are filled with a solid blue color and are separated by thin black lines.
